

Ealing MHST

Focus Group

Your chance to have your say 

This focus group has been arranged for parents, carers and members of the community who know a child or young person who is **neurodiverse** and/or who has experienced other difficulties with their **general or mental wellbeing**.

This group aims to **understand your viewpoint** on how you feel that your children are supported within the borough of Ealing. We would like to hear **your experiences** on how you have found **accessing support** for your neurodiverse child, for their neurodiversity and their wellbeing.

We would like to hear **your feedback** on what is going well, and **any barriers** to support that you may have faced, and how you think support can be improved within this community? What do you think

would be beneficial in supporting your child that is not currently in place within Ealing?

Who are we?

The Ealing Mental Health Support Team (MHST) is a service designed to support the wellbeing of children and young people in education settings, aiming to provide evidence-based support at the earliest signs of difficulties and promote life-long positive mental health.

When and Where?

This focus group will take place on **Tuesday 9th May 2023** at 09:30 and will complete by 11:00 at the latest. This will take place at **Gurdwara Sri Guru Singh Sabha Southall (Downstairs Library), Guru Nanak Road, UB2 4NP.**
